AB Talks 60-Day Claude AI Challenge

Certificate of Completion

AB Talks 10-Day Capstone Sprint

This certifies that

Rashmi Chaudhary

has successfully completed the **AB Talks 10-Day Capstone Sprint** by designing, building, testing and launching **ShortlistIQ**, a production-ready application, from requirements to a released **Version v1.0.0**, through a structured software development lifecycle. This capstone project was completed as part of the **AB Talks 60-Day Claude AI Challenge**.

Project	Version	Completed	Live application
ShortlistIQ	**v1.0.0**	**10 November 2026**	**shortlistiq-sigma.vercel.app**

Co-created with **Claude (free tier)**, who served as project mentor and AI pair programmer.
